## **CMI Electrical Products Environmental Policy**

CMI Electrical Products is committed to the protection of the environment and the reduction of environmental impacts from our operations.

This commitment applies to the whole of our business covering the manufacture, sale and distribution of special connecting wires and cables, processed wiring assemblies, electrical harnesses and flexible braid assemblies, cord-line switches and accessories. It also covers the design, manufacture and supply of plugs, couplers, receptacles, cable glands and accessories for mining, petrochemical and industrial applications.

As part of its commitment CMI Electrical Products will:

- Comply with ISO 14001 the International Standard for Environmental Management Systems and with all applicable legal and other requirements to which we subscribe.
- Take practical measures to prevent pollution and to continually improve our environmental performance.
- Establish programmes to achieve agreed environmental targets and objectives.
- Plan for and conduct site operations in a manner that safeguards health and safety whilst minimising environmental impacts.
- Communicate our environmental policy to employees, suppliers, contractors and other interested parties to encourage participation in achieving our environmental objectives.
- Promote this commitment by making this policy available to staff and the public.

Zac Zaharia  
Chief Operating Officer  
CMI Electrical Products
